CUSTOMIZED TUMBLER

YETI[®] CUSTOMIZED

Documents Required to Place a YETI[®] Customized Order

1. Purchase Order
2. Artwork file (.eps, .ai, .pdf, .jpg, or any high resolution image)

FAQ'S:

Do I need to pre-pay for my order?

- Yes, all custom orders must be pre-paid in full before production begins.

Where is the logo placed?

- The marking is always placed on the opposite side from the YETI emboss. Only one side of the stainless product is marked. There is an additional \$5 charge to have both sides marked.

Is color an option or just black for the logo?

- Black is the only **marking** option on the stainless Ramblers.
- For a color option, we do offer customized DuraCoat. Instead of a color mark on the stainless steel, the coating is removed to reveal your design as the silver of the cup.

What is the return policy?

- There are no returns.

What is the warranty on customized products?

- All custom YETIs come with the Rambler 5-year limited warranty.

What is the lead time?

- 3-4 weeks

Is there a minimum quantity?

- A minimum of 48 units must be ordered for any customized order, unless ordering the Jugs which have a minimum of 12.

Sales Tax?

- Sales tax applies to all orders shipped to: AL, HI, IL, MD, MS, MO, PA & TN even if you have a resale tax certificate in these states
- Sales tax applies to all orders shipped to: CA, CO, MA & TX unless you have a resale tax certificate in these states

Where do you ship?

- We currently only ship to the lower 48 states in the US. We are unable to ship to PO, APO or FPO boxes. Please provide a physical shipping address.

YETI[®]

CUSTOMIZED

With YETI, all members of the Rambler™ family can get the personal touch. Our Ramblers are built from 18/8 stainless steel, have a No Sweat™ Design to eliminate condensation, and double-wall vacuum insulation that keeps your drinks as cold (or hot) as science will allow. We built them for the wild, but they're a welcome addition to any time spent outdoors, or anywhere. YETI's laser marking process is guaranteed through the life of your Rambler, no scratching or fading here.

| Model | Description | MSRP | Minimum Quantity | Min Quantity for Free Freight |
